

# Hire a Better Future

Employ Qualified People  
who have Disabilities

**ABILITY360**

## EMPLOYMENT SERVICES

Ability360 offers services to people with disabilities receiving Social Security Disability Benefits who are seeking employment. Our job is to find candidates, test their skills and readiness to work, and connect them to you to fill the jobs you need done.

## OUR EXPERIENCE

Ability360 Employment Services has been a Ticket to Work provider since 2002 under the Ticket to Work Contract with the Social Security Administration. We have a long-established history of helping Employers connect with the right candidates for their positions.

## WHY PARTNER WITH US?

- Access to highly skilled and educated candidates looking for work now.
- When you hire our candidates, we are always there to help you with accommodations advice.
- Add us to your job posting list. We will connect your business with qualified candidates.
